

**PHASER®**  
**6250**

***How do you know  
if the Phaser 6250 is right for you?***

**EASY** – are you looking for a **high-capacity A4 colour** and black-and-white printer with a fast printing speed of **24 pages a minute**? As part of a hard-working team, will it need to give outstanding results under pressure? We're with you. And you don't want to need a degree to manage it, do you? No. You just want **outstanding results**, and plenty of them. Well, you're looking at the right brochure. Let's get busy.

**Fuji Xerox Printers. *EASY.***

# PHASER 6250 A4

## HIGH-QUALITY COLOUR

### HOW DO WE DO IT?

# EASY.

#### **EASY 1: Build in a great amount of speed.**

The Phaser 6250 uses single-pass printing technology to deliver high-quality colour at high speed – so it can keep up with the demands of the busiest office.

- First page out and ready to grab in just 15 seconds.
- Print speeds of 24 pages per minute – in colour or black and white.
- 700 MHz processor, up to 512 MB of RAM and an available 20GB hard disk to add even more productivity.
- A proven monthly duty cycle of 100,000 pages.

#### **EASY 2: Produce results that really stand out.**

With its stunning colour laser output and its gloss mode option, the 6250 lets you produce vibrant graphics that leap off the page (without ever hogging the printer for hours).

- Adjustable automatic colour matching and the option of a unique paper calibration feature for when you print on unusual stocks.
- Text and fine lines are sharp and crisp, even in Draft mode. Switch to Photo Mode and you'll see gorgeous smooth colour tones with super-fine detail.

### **EASY ARGUMENTS - COLOUR.**

■ Colour boosts readership by 80%!

■ Information is 70% easier (and faster) to find if it's in colour.

■ Colour has lifted survey participation levels by 80%.

# COLOUR PRINTER

**FOR YOUR**

**FRANTIC OFFICE.**

**PHASER  
6250**

**EASY 3: Make it easy.  
Really easy.**

When you're busy, the last thing you need is hassle from your printer. Which is why the 6250 is designed for people in a hectic office, not their IT guy.

- Installation is literally a one-click process. Click, install, ready.
- Toners are pre-installed and easy to use.

**Time-Saving Intelligence**

- Our web-enabled Xerox CentreWare software lets you monitor your printer, your job, and in-depth accounting information from any PC, locally or via the internet.
- The software can also email the system administrator when ink or paper gets low – and even do its own troubleshooting to save you the time and hassle.

*There you go. Time-saving and intelligent.*

**EASY 4: It takes all kinds...**

To make your life even easier, the 6250 has a huge range of extra and optional features, and the ability to print reliably on a variety of paper weights up to 216 gsm.

- Optional automatic duplexing, 500-sheet tray and 100-sheet multi-purpose tray are all in the basic configuration.
- An additional 500-sheet high-capacity feeder for a 1,100-sheet total.

**EASY DECISION**

**EASY 1:**

Print speeds of up to 24ppm, with a fast 15-second first page out time.

**EASY 2:**

Adjustable automatic colour matching and calibration, with paper calibration options for unique paper stocks.

**EASY 3:**

Network installation only takes a mouse click.

**EASY 4:**

Total input capacity of 1,100 sheets. So you can print more, and spend less time refilling trays.

**EASY 5:**

Easy to manage, with on-screen printer and job status windows, plus Time Saving Intelligence.

Fuji Xerox Printers. **EASY.**
